

STAPLES Center

	Activities
1	Operations
2	Engineering
3	Security
4	Guest Services
5	Human Resources & Administration
6	Event Management (Including Booking, Communications & Services)
7	Transportation & Parking
8	Ticketing and Box Office
9	Merchandise
10	Event Media (Including Telecommunications, Event Presentation & Broadcast)
11	Food & Beverage (Levy Restaurants)
12	Housekeeping (ABM)
13	Premium Sales & Event Suites
14	Microsoft Theater (Event Operations)

ENVIRONMENTAL ASPECTS & IMPACTS

	Mitigate / Improve (-/+)	Aspect	Primary Impact
1	-	Energy: Energy Consumption	Generates Greenhouse Gases
2	-	Energy: Fuel Consumption	Generates Greenhouse Gases
3	-	Water: Water Consumption	Depletes water supply
4	-	Waste: Landfill Waste Generation	Groundwater pollution, Non-Compliance
5	-	Waste: Hazardous Waste Generation	Groundwater pollution and Danger to Human Health via improper storage or disposal (including refrigerants) / Non-Compliance
6	-	Waste: Universal Waste Generation	Groundwater pollution and Danger to Human Health via improper storage or disposal / Non-Compliance
7	+	Waste: Recycling and Compost Diversion	Reduced waste and resource consumption
8	+	Sustainable Purchasing: Consumable Goods & Technology	Reduced waste and resource consumption
9	+	Environmental Education: Employees, Clients, Partners & Guests	Increased environmental awareness and action
10	+	Waste: Sustainable Building or Renovation	Reduced waste and resource consumption
11	+	Sustainable Event Management	Reduced waste and resource consumption / increased environmental awareness
12	-	Event Management	Increased waste and resource consumption
13	-	Emergency Preparedness	Danger to Human Health, Risk of Property Loss / Non-Compliance
