

STAPLES Center & Microsoft Theater EMS:
SIGNIFICANT ENVIRONMENTAL ASPECTS

Mitigation of Environmental Impacts			
	ASPECT	ACTIVITIES / SERVICES	IMPACTS
1	Energy: Energy Consumption	Operations Engineering HR & Administration Transportation and Parking Ticketing & Box Office Event Media Food & Beverage Premium Sales & Event Suites Housekeeping Microsoft Theater	Generates Greenhouse Gases
2	Energy: Fuel Consumption	Operations Engineering Merchandise Food & Beverage	Generates Greenhouse Gases
3	Water: Water Consumption	Food & Beverage Engineering	Depletes water supply
4	Waste: Landfill Waste Generation	Food & Beverage Housekeeping	Groundwater pollution, Non-Compliance
5	Waste: Hazardous Waste Generation	Operations Engineering Food & Beverage Housekeeping	Groundwater pollution and Danger to Human Health via improper storage or disposal (including refrigerants) / Non-Compliance
6	Waste: Universal Waste Generation	Operations Engineering Security Guest Services HR & Administration Transportation and Parking Ticketing & Box Office Event Media Event Management Housekeeping Microsoft Theater	Groundwater pollution and Danger to Human Health via improper storage or disposal / Non-Compliance
7	Event Management	Transportation and Parking Event Management Guest Services Microsoft Theater	Increased waste and resource consumption
Beneficial Environmental Impacts			
	ASPECT	ACTIVITIES / SERVICES	IMPACTS
1	Waste: Recycling and Compost Diversion	Operations Security Guest Services HR & Administration Ticketing & Box Office Merchandise Event Media Food & Beverage Event Management Housekeeping Microsoft Theater	Reduced waste and resource consumption
2	Sustainable Purchasing: Consumable Goods & Technology	Operations Engineering Security Guest Services HR & Administration Ticketing & Box Office Event Media Food & Beverage Premium Sales & Event Suites Merchandise Microsoft Theater	Reduced waste and resource consumption
3	Environmental Education: Employees & Guests	Operations Engineering Security Guest Services HR & Administration Transportation and parking Ticketing & Box Office Merchandise Event Media Event Management Food & Beverage Premium Sales & Event Suites Housekeeping Microsoft Theater	Increased environmental awareness and action
4	Waste: Sustainable Building or Renovation	Operations Engineering Security Guest Services Ticketing & Box Office	Reduced waste and resource consumption
5	Sustainable Event Management	Operations Engineering Food & Beverage Event Management Microsoft Theater	Reduced waste and resource consumption / increased environmetnal awareness
7	Emergency Preparedness	Operations Engineering Security Guest Services HR & Administration Transportation and Parking Ticketing & Box Office Merchandise Event Media Food & Beverage Event Management Housekeeping Microsoft Theater	Danger to Human Health, Risk of Property Loss / Non-Compliance
